# LAYOUTS

LAYOUT PLAN-1:

SWOT ANALYSIS

STRENGTH:

- Sofa is placed near the window so that can get more air flow and relaxation with natural light and air.
- Bed is arranged according to Vaastu in south direction.

WEAKNESS:

- Wardrobe size is reduced when it is placed in west direction.
- Cleaning difficult if we place more equipment or items.
- Cannot place any more seating as there is no much space.

OPPURTUNITY:

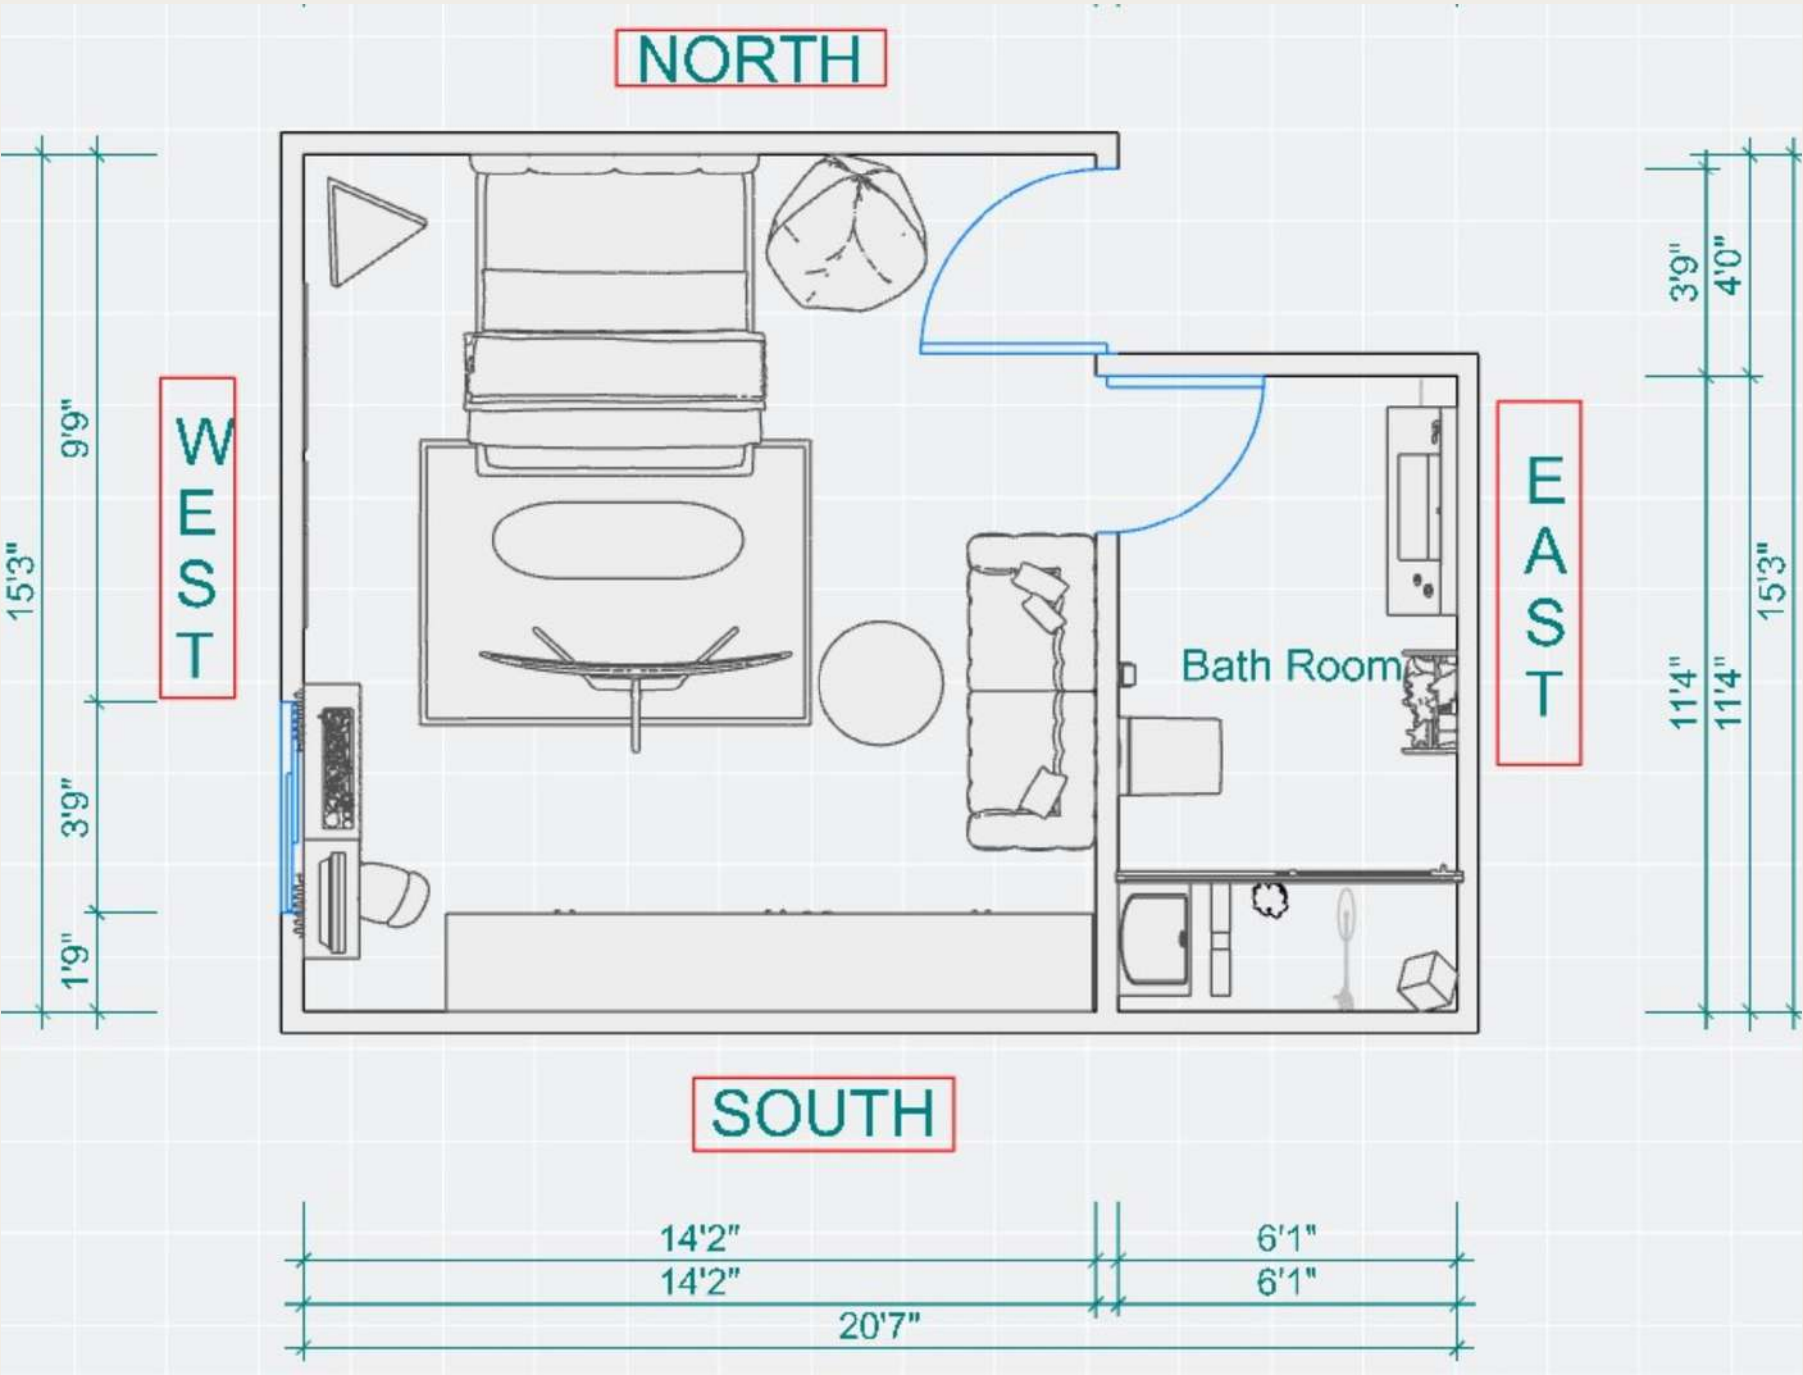

- Got space when tv is placed closed to the bed and can place computer table to work.
- Side table is replaced with corner rack as the wardrobe size is got reduced

THREAT:

- As there is a window in SW direction no much sunlight for the indoor plants.
- Sofa area is little congested as the bed is placed in south direction.

# LAYOUT PLAN-2:

## SWOT ANALYSIS

### STRENGTH:

- Table is placed near the window so that can get more air flow and relaxation with natural light and air.
- More spacious and kids can place toys and play.

### WEAKNESS:

- Tea table and tv is so close and there is no much passage from bathroom door.
- Bed direction is completely against the Vaastu suggestions.

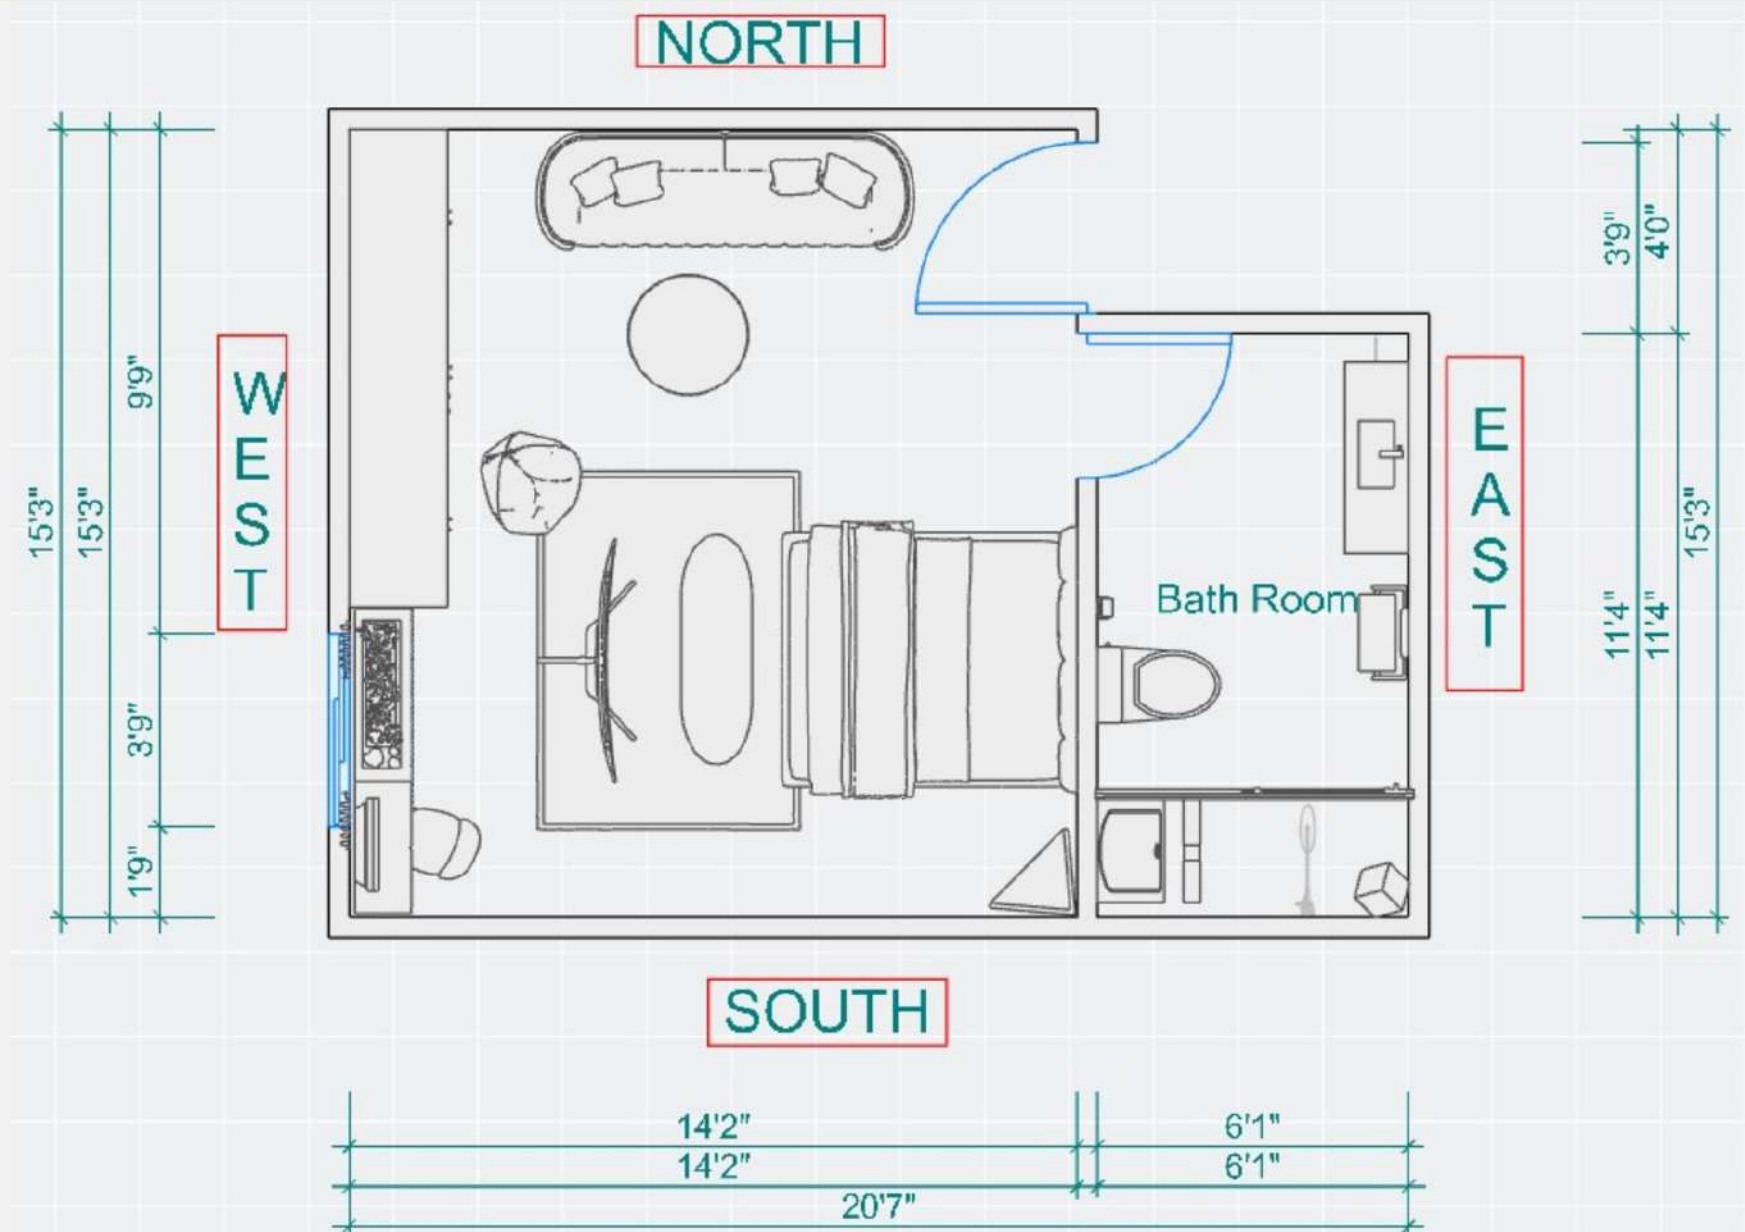

### OPPURTUNITY:

- Got space when tv is placed closed to the bed and can place computer table to work.
- Side table is replaced with corner rack as the wardrobe size is got reduced

### THREAT:

- Space little congested comparatively with other furniture placement plans.
- Door got blocked when the bed is arranged in north direction.

LAYOUT PLAN-3:

SWOT ANALYSIS

STRENGTH:

- Computer table and indoor plants placed at the window so that there will be a natural air flow and light.
- Room become more spacious when bed is placed in the East direction.

WEAKNESS:

- Wardrobe size is reduced when it is placed in west direction.
- Short access from the room door as seating is arranged at the passage.

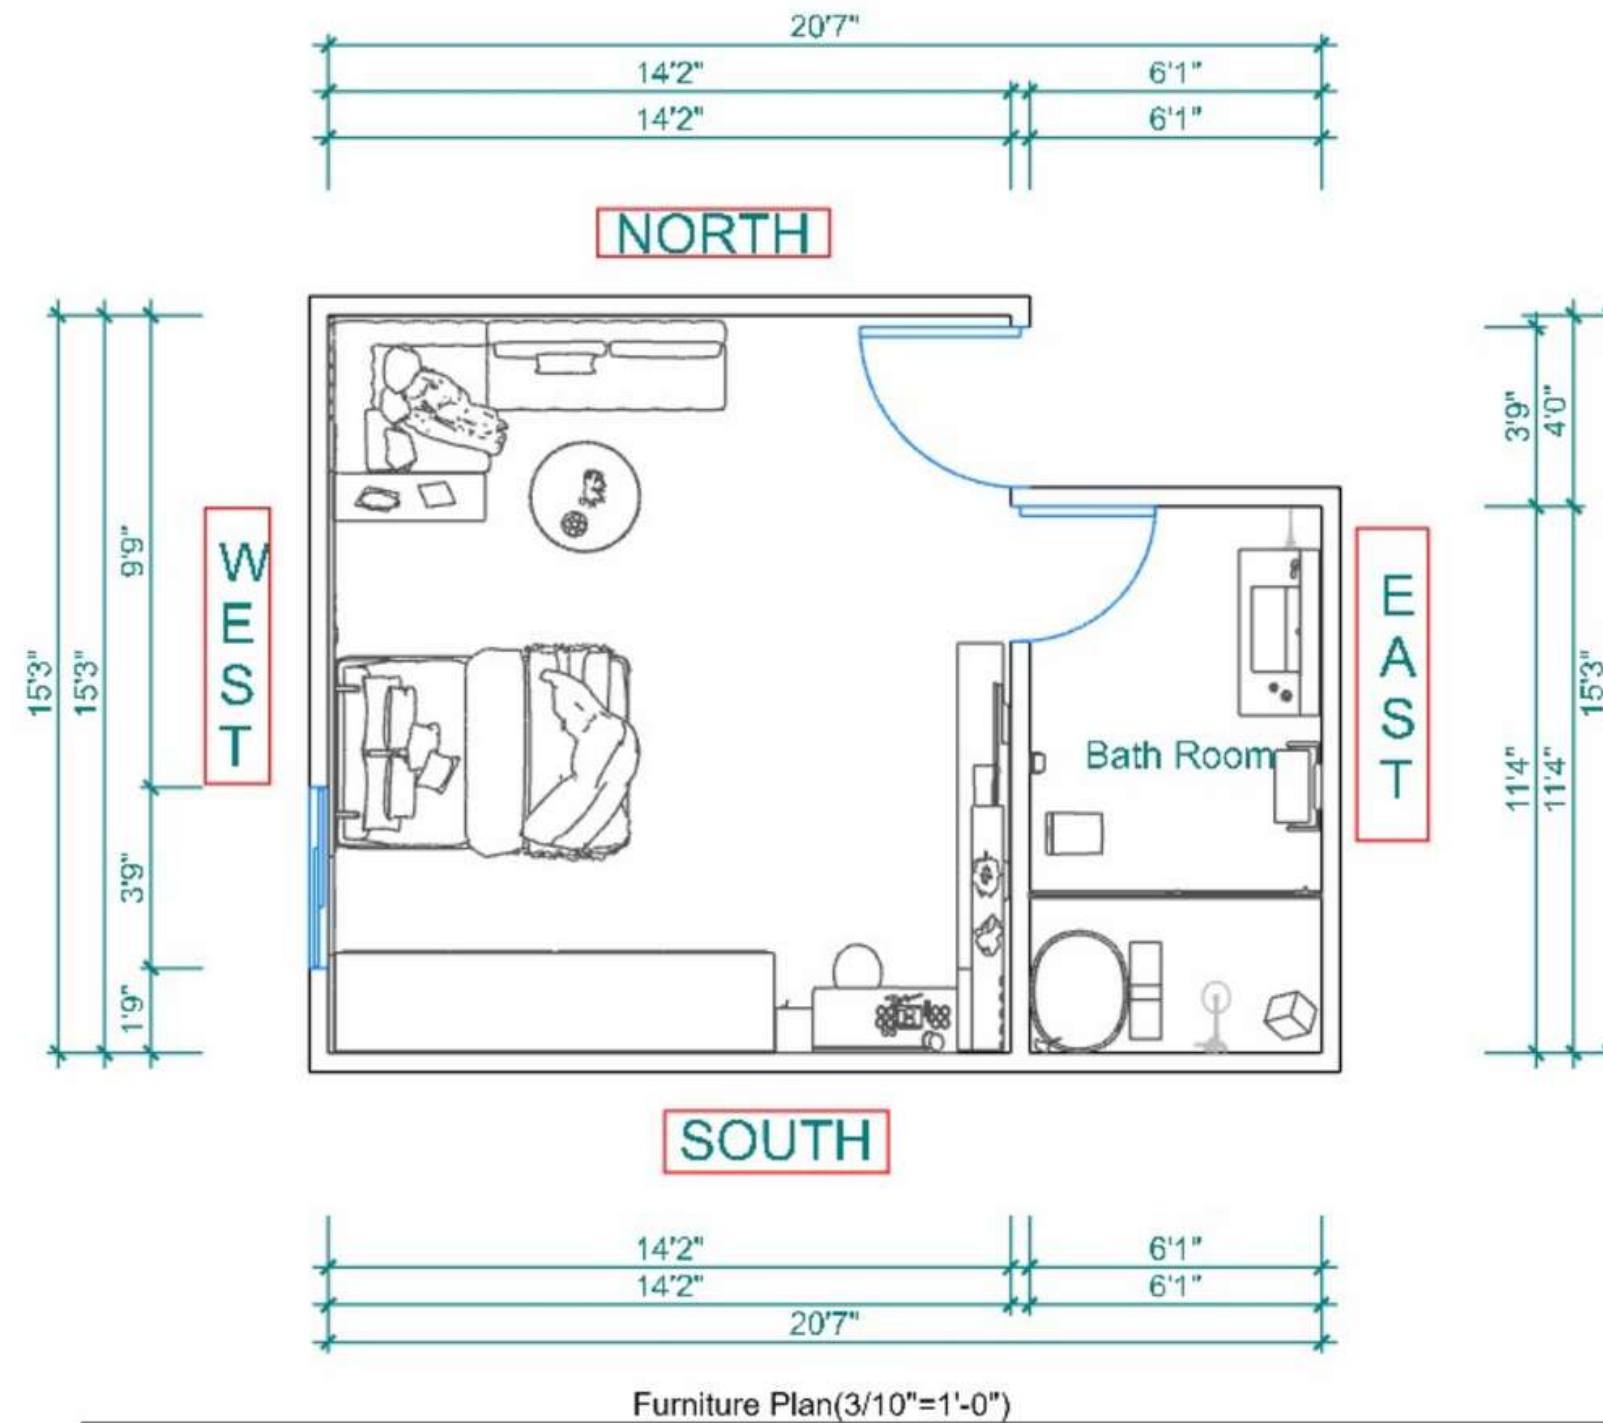

OPPURTUNITY:

- Got space when tv is placed closed to the bed and can place computer table to work.
- Side table is replaced with corner rack as the wardrobe size is got reduced

THREAT:

- South side wall become empty as we cant place any wardrobe beside bed.
- Have to be careful when opens the main door as sofa is close to the door.

## LAYOUT PLAN-4: (APPROVED)

## SWOT ANALYSIS

**STRENGTH:**

- Spacious and more place to play with her grand daughter.
- Can place any toys in between tv and bed bench area.
- Everything can place as per client's requirement without wasting space.

**WEAKNESS:**

- Cleaning difficult if we place more equipment or items.
- South wall is completely occupied with wardrobe and dressing table.

## OPPORTUNITY:

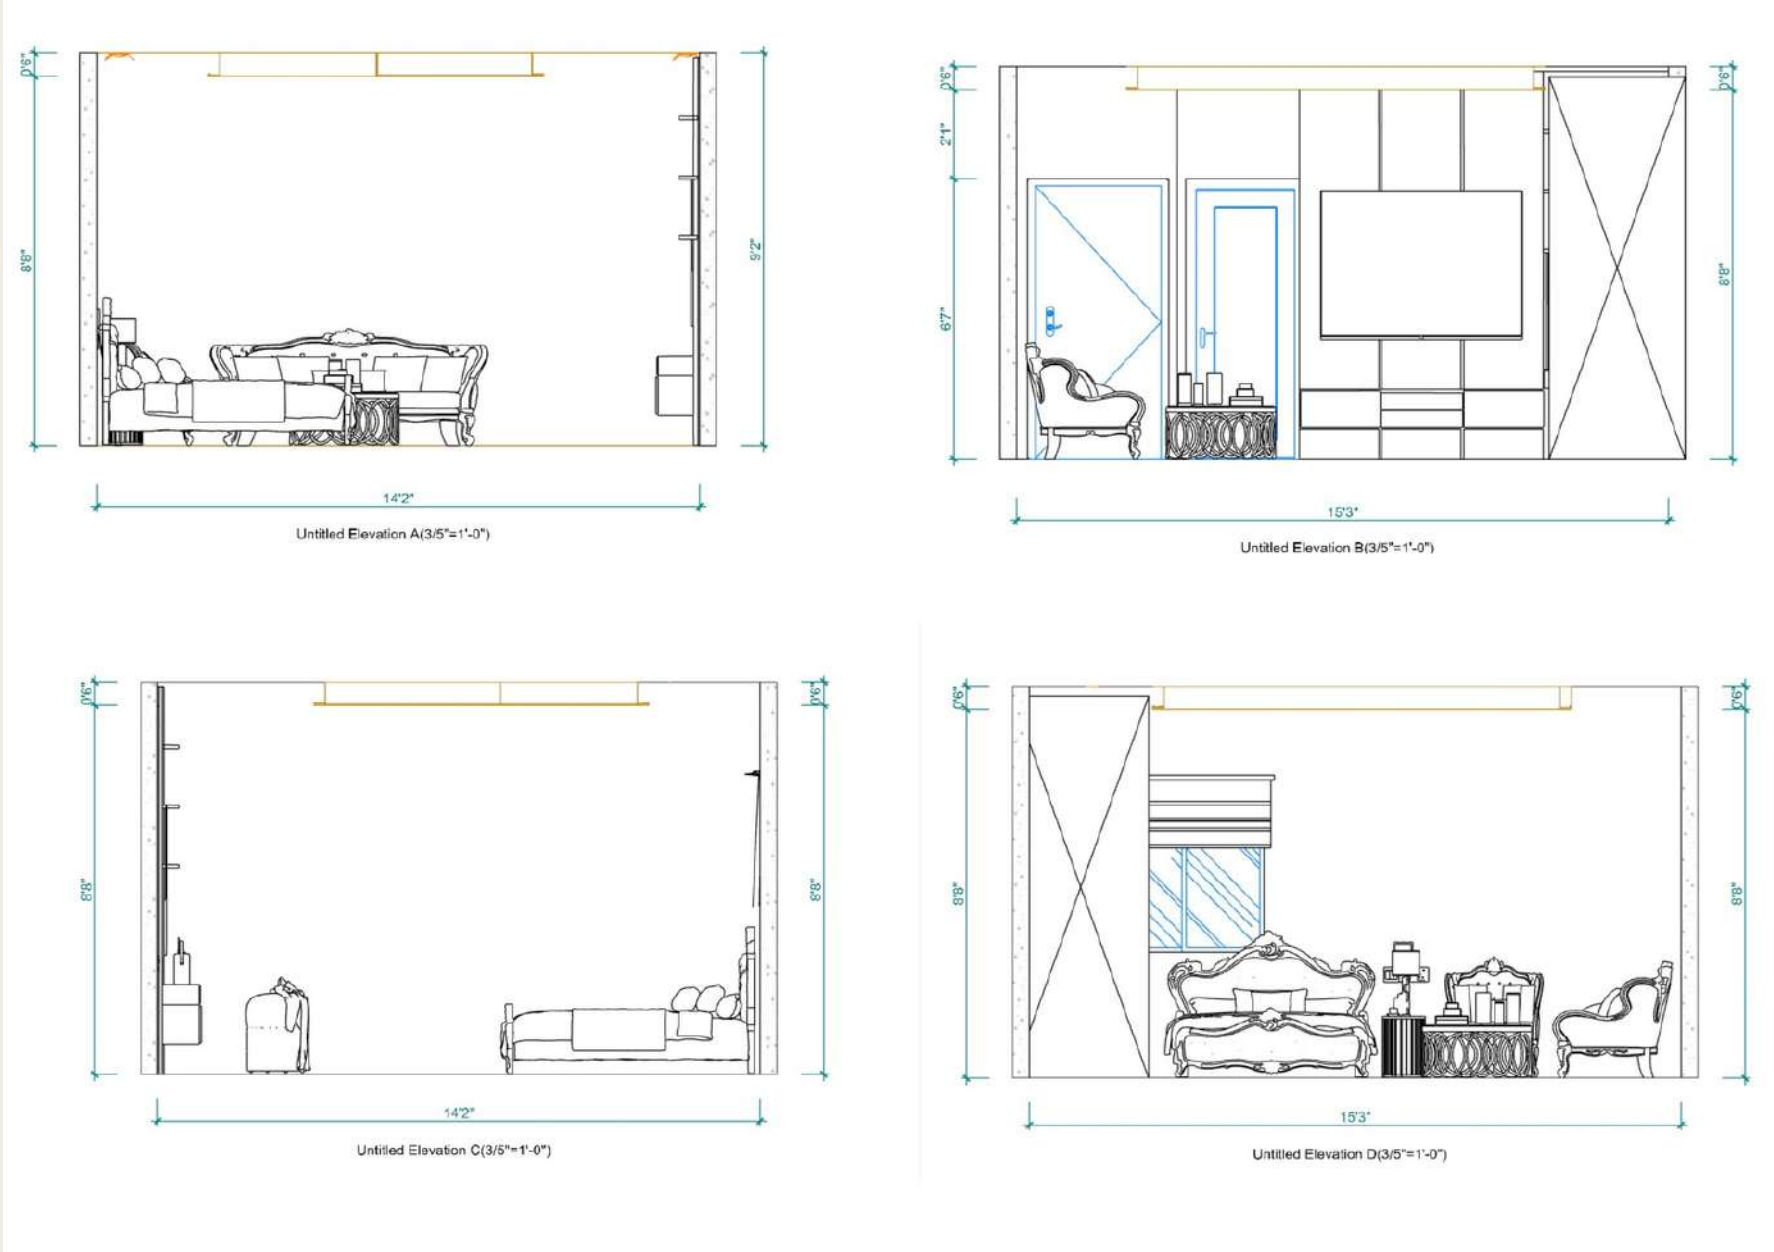

- Can keep more indoor plants that can be easily maintained ones.
- Can do some more seating arrangement between bed and tv.
- Can arrange a removable play station for her grand daughter.

**THREAT:**

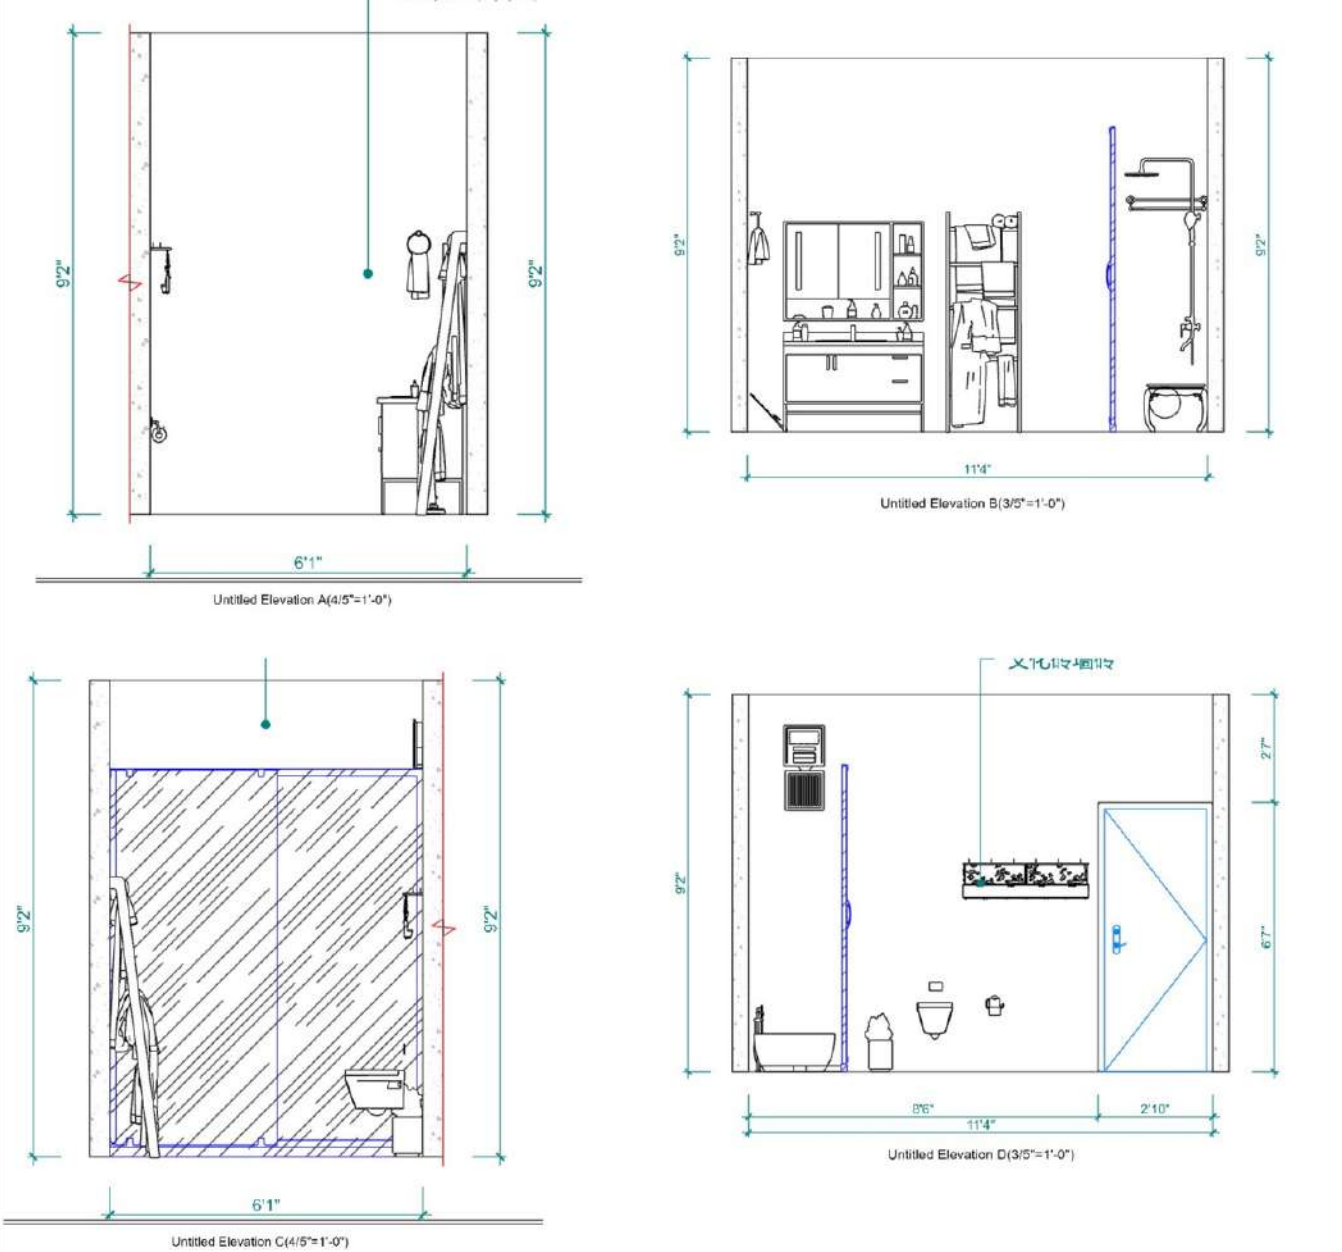

- Tv distance little far when bed is placed in west direction.
- Nothing much.

## Client's Feedback

I am completely satisfied with your work.

Thank you for the incredible work you have done.

You gave me plenty of choices and options.

Each and every little thing was taken care of and implemented.

The background features decorative brown shapes in the corners: a large quarter-circle in the top-left, a rounded rectangle in the top-right, and a thick curved line in the bottom-right.

Thank You!
