Residence of

CAPTAIN SHETTY

He's 35 years old bachelor living alone in **high rise apartment** in Powai, Mumbai. His apartment is on 12th floor.

ADARSH SHETTY

(Cargo Captain)

Background

Breaks from work are a highlight of Adarsh shetty's hectic schedule. In particular, he enjoys hosting game evenings. He spends almost every weekend hosting a group of buddies around to watch football and play playstation. **He likes cosy, comforting environments. When he is on break, he prefers to be alone. In his spare time, he enjoys listening to music and watching television.**

SWOT Analysis

Strength

Adequate space

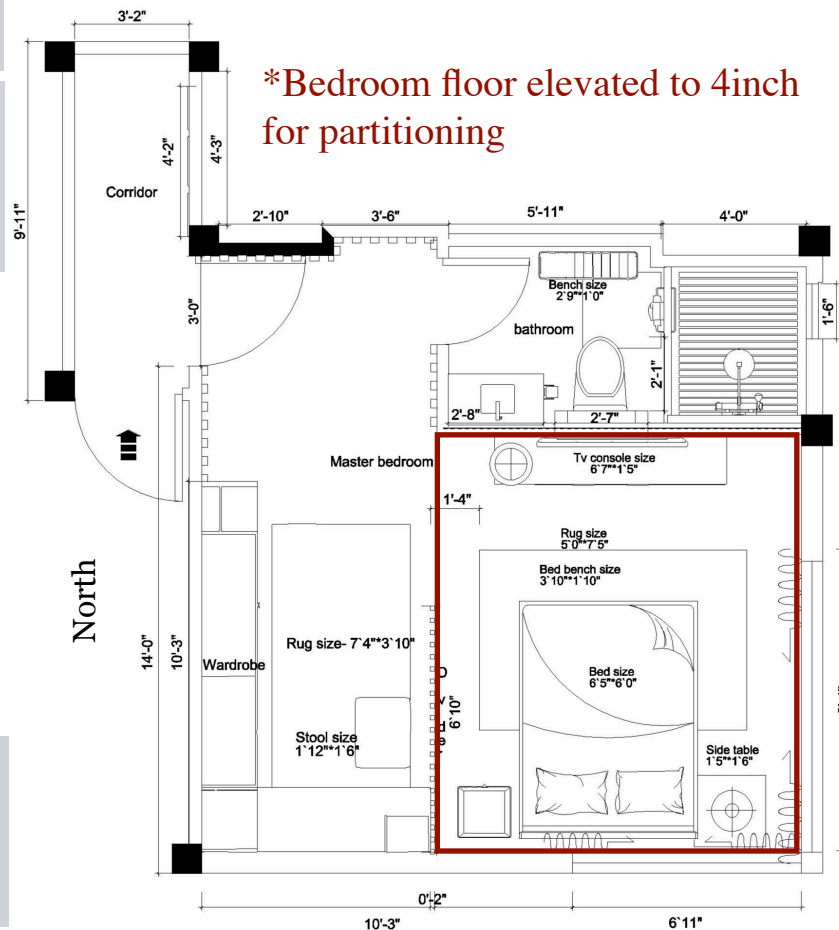

Plenty of sunlight

Opportunities

4-inch floor elevation for bedroom partitioning

Room divider assisted in separating spaces

L-shaped layout increased personal space

Weakness

Dressing is not attached to the bathroom

Bed is against a wall that has a partial window

Threats

Sunlight hinders TV

far-away bathroom door might be an issue at night

Elevated floor may be troublesome at night

SWOT Analysis

Strength

Sufficient space for a bed and side tables

Ample closet space

Wide open spaces

Opportunities

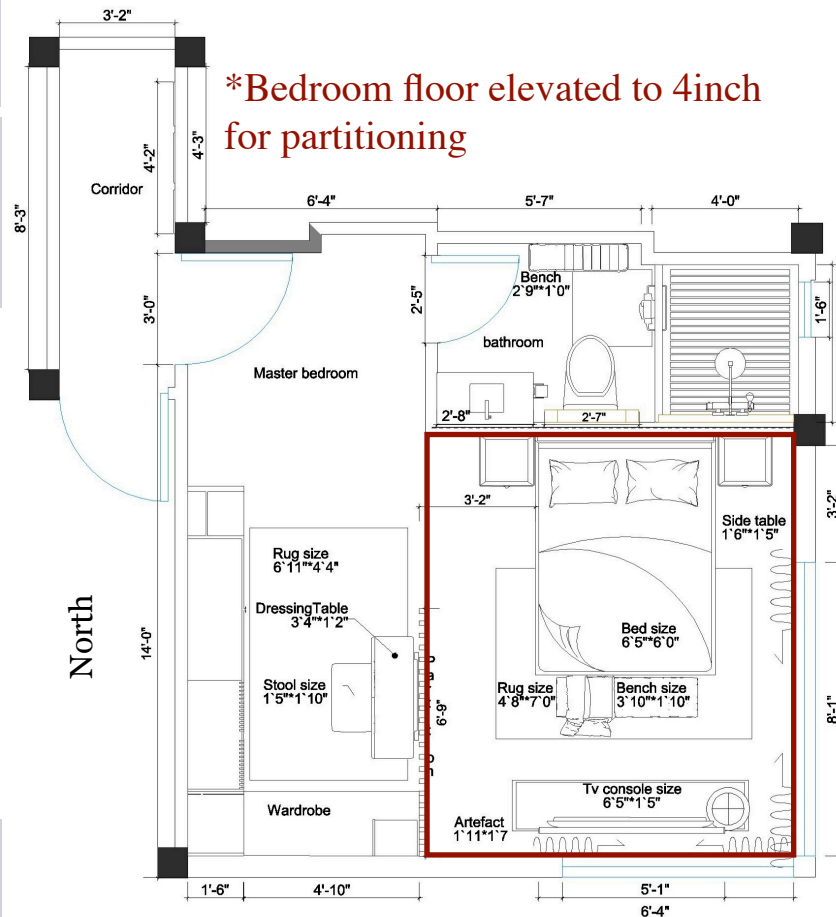

Bedroom and dressing room separation

Ensuring the bedroom's privacy

Weakness

Dangling TV block sunlight and the view

Proximity of the bed is slightly far from bathroom

Threats

Elevated floor may make it difficult to move around

A bedside table might be a hindrance

Bed is against the bathroom wall, the flush is audible

SWOT Analysis

Strength

Adequate space

Plenty of sunlight

Opportunities

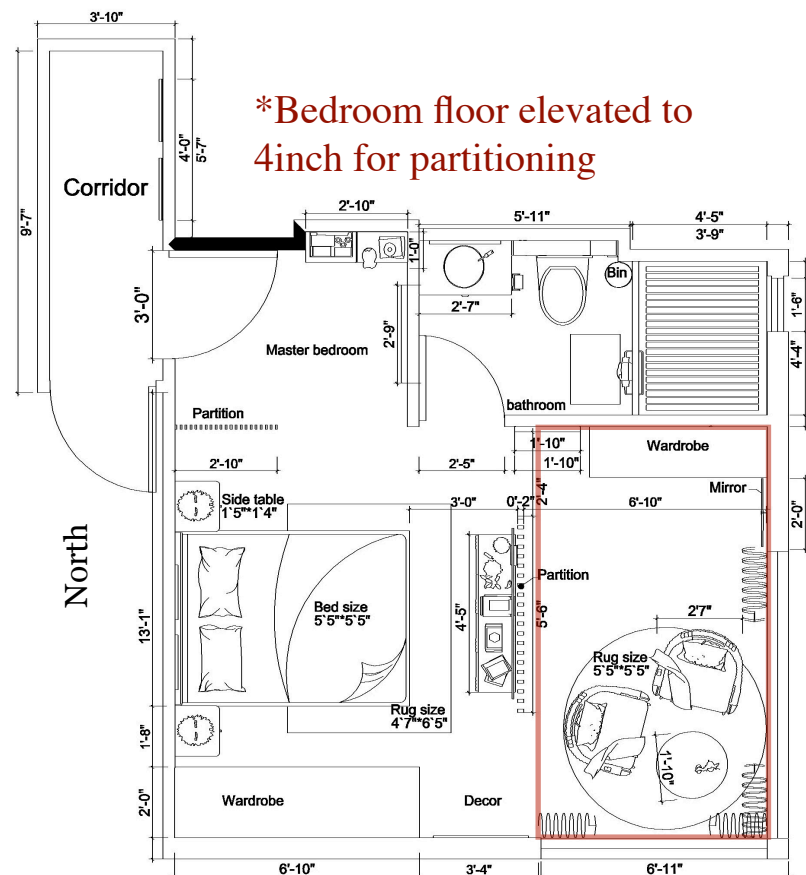

Space for corner seating with view

Relocated the bathroom door to the middle of the room

Multiple storage is achieved

Weakness

The bed's entrance is visible, thus there's no privacy.

Threats

TV console might be a hindrance while walking

The divider may obstruct walking

SWOT Analysis

Strength

Vaastu encourages relaxation on the south side of the bed

Plenty of sunlight

Opportunities

Less clutter in the bedroom

Bedroom looks spacious

Repositioning of the bathroom door

Weakness

The window is partially obscured by half of the bed

Shower area is in south-east zone

Windows are in south-west direction

South

Threats

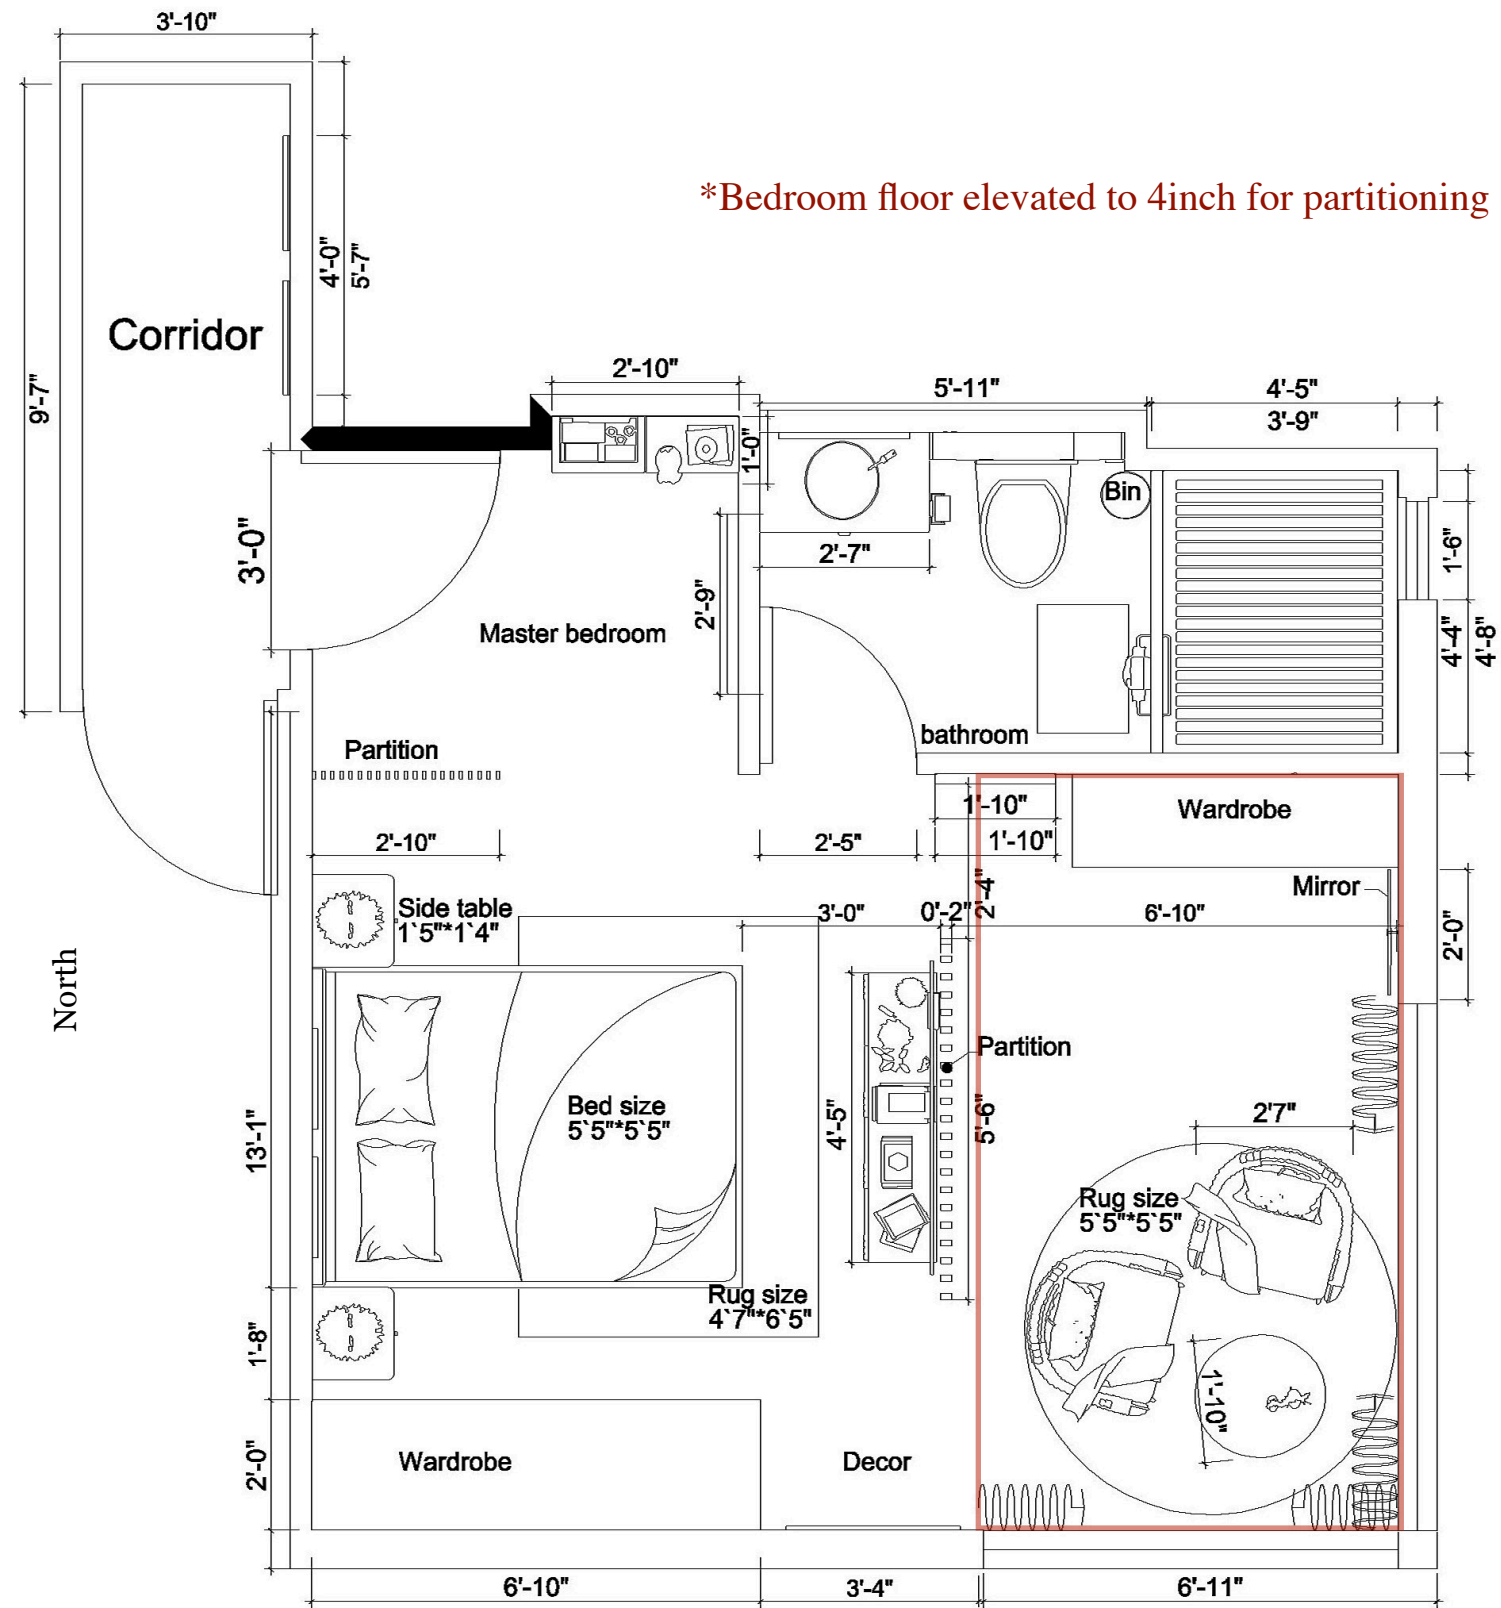

Bed head might hinder the window

Sunlight from windows requires covering when viewing TV

According to Vaastu, the mirror is opposite the bed.
