About the Client

NAME: Mehar Verma, lives in a 3.5 BHK apartment on the 13th floor of a high rise building in the society Lotus Boulevard, Sector 100, Noida, Uttar Pradesh

AGE: 19 (Bachelor)

PEOPLE LIVING IN & VISITING THE HOUSE :

- he, himself
- his sister
- his parents
- his grandparents
- friends
- house help

BACKGROUND:

Mehar Verma is a bachelor currently completing his bachelors degree in economics and finance and has keen interest in the stock market. He likes to play the guitar and is a bookworm. He likes to hangout with his friends at home where they all usually gather in his bedroom. He has a taste for sophistication and fineness and is also a nature lover. He also is an adrenaline junkie who enjoys various adventure sports. He desires a room with a predominantly dark color scheme complemented by luxurious golden accents and should create a sophisticated ambiance. A designated area should be included in the room to display and hang the client's guitar, to showcase their musical instrument as a decorative element as well as a set of photo frames. He also likes plants but wants just few in the room

Likes and Dislikes

FOR BEDROOM:

- Dark Themed Room with Golden Accents:
- Mixture of Woods:
- Study Table (Not Clashing with Bed) & bookshelves
- Place to Hang Guitar:
- Enough Space to Walk Around Freely:
- AC & TV (optional)
- photo frames
- Extra Storage:
- Queen/ king Size Bed & bedside table
- Plants (optional)
- Sheer + opaque curtains

FOR WASHROOM:

- should match the aesthetics of the room
- have cabinets for storage
- partition between toilet and shower space

LIKES:

- dark colors
- playing guitar & music
- adventure sports
- reading books

QUESTIONS:

- What would be your budget?
- By when and in how much time do you want the work to start and be completed?
- Do you need different cabinets inside the wet area as well
- Do you want a wallpaper on ceiling OR false ceiling?
- do you want to retain any of the furniture?

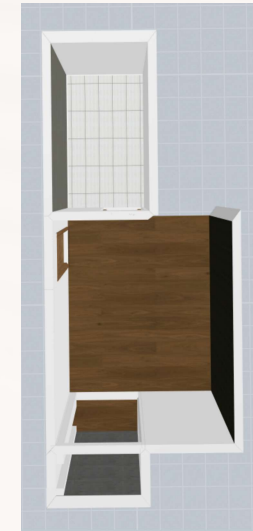

SUGGESTIONS:

- metallic & marble finishes, light colored woods
- vertical utilization of space to create a perception of height
- incorporating transparent furniture
- use of contrast
- music incorporated designs & spot lightings on instruments.

LAYOUT 1

SWOT ANALYSIS

STRENGTH

- The Layout allows for free circulation
- there is free space to open wardrobe doors
- easy view towards tv

WEAKNESS

- side table obstructing cool air from ac
- study table in extreme corner, light have to be added seperately
- cost of converting wardrobe area to study is expensive

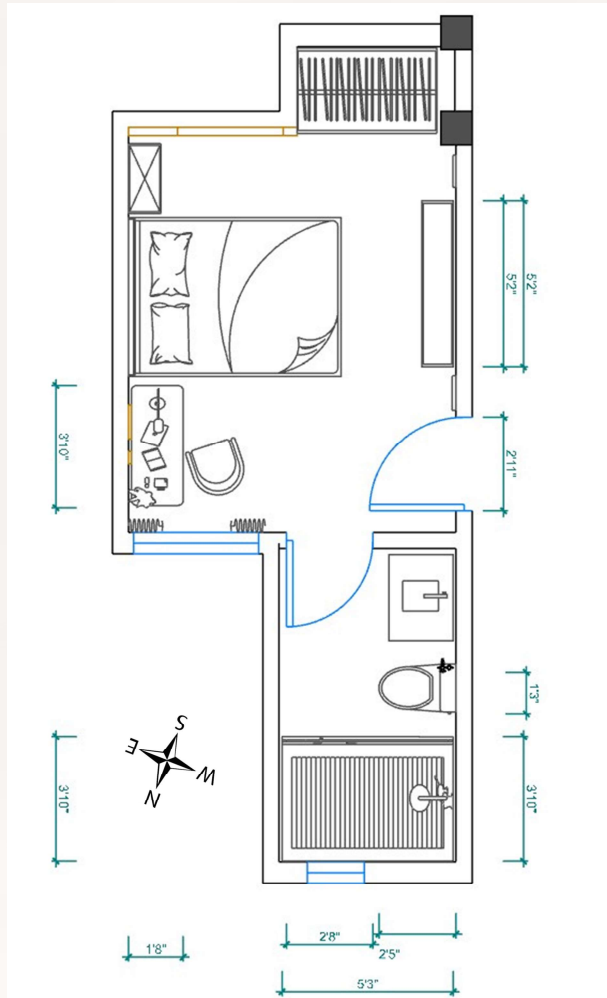

OPPORTUNITY

- instead of floor lamp, plants can be added to the room
- hanging lights can replace floor lamp
- photo frames can be hung on the wall beside the cupboard

THREATS

- Can be difficult to convert wardrobe area to empty space for study
- intrusion for hanging guitars needs to be done carefully

LAYOUT 2

SWOT ANALYSIS

APPROVED

STRENGTH

- natural sunlight in study table area
- easy view of tv from bed
- finances to spend on converting wardrobe to separate area saved

WEAKNESS

- storage below tv cabinet can be difficult to access
- person sitting on chair can experience disturbance often
- cool air of ac directly on person while using study table

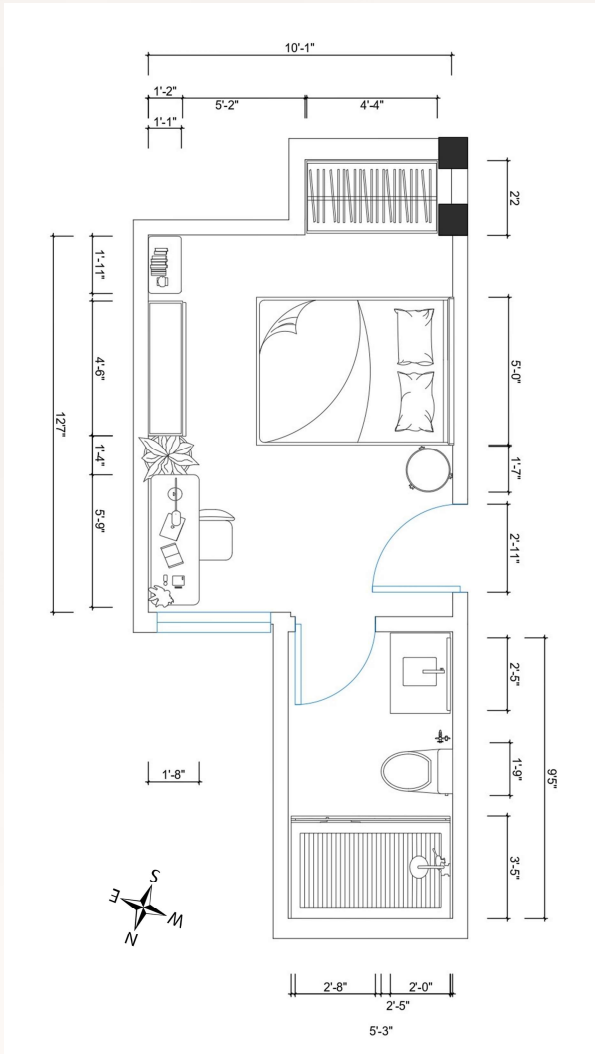

OPPORTUNITY

- plants can be used
- hanging lights can be used
- rug can be placed in front of washroom door

THREATS

- construction of storage below tv cabinet needs to be done carefully.

LAYOUT 3

SWOT ANALYSIS

STRENGTH

- easy view of tv from bed
- location of bed according to vastu
- direct natural sunlight on study area

WEAKNESS

- wardrobe doors can collide with bed
- little difficult to navigate because of the bed
- person sitting on chair can experience disturbance often
- direct exposure to cold air from ac in study area

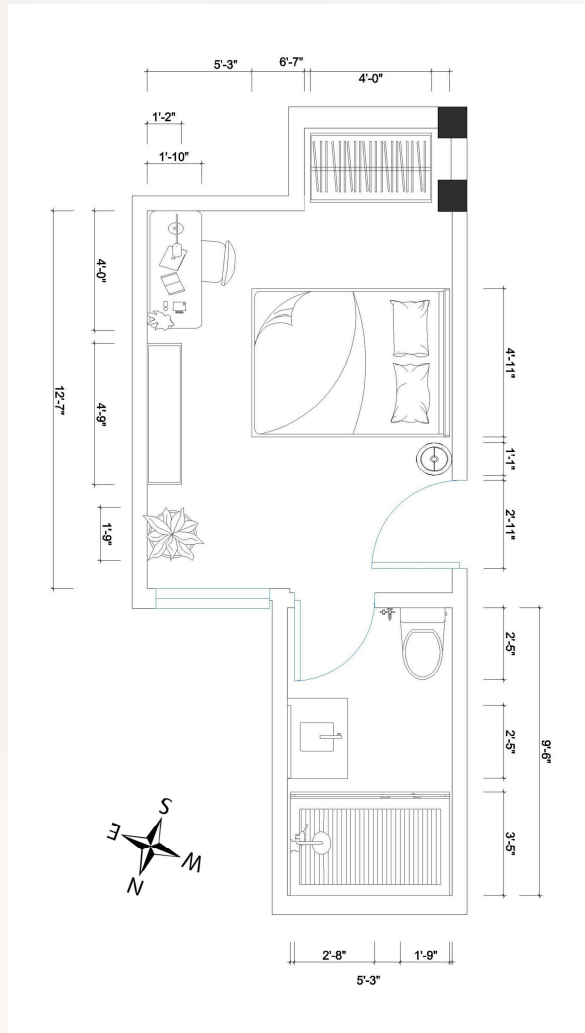

OPPORTUNITY

- plants can be used
- sliding door wardrobe can be used instead of hinge doors
- photo frames can be hung on wall above bed

THREATS

- changing hinge doors of wardrobe to sliding doors can be costly
- room may seem too conjoined

VAASTU LAYOUT

SWOT ANALYSIS

STRENGTH

- plants are used to balance positive energy
- enough space between bed and wardrobe, so its doors and bed dont clash
- direct sunlight on plant

WEAKNESS

- less space between bed end and study chair
- inconvenient circulation across room, person will have to travel a whole path to get to wardrobe
- inconvenient view angle of tv cabinet from bed

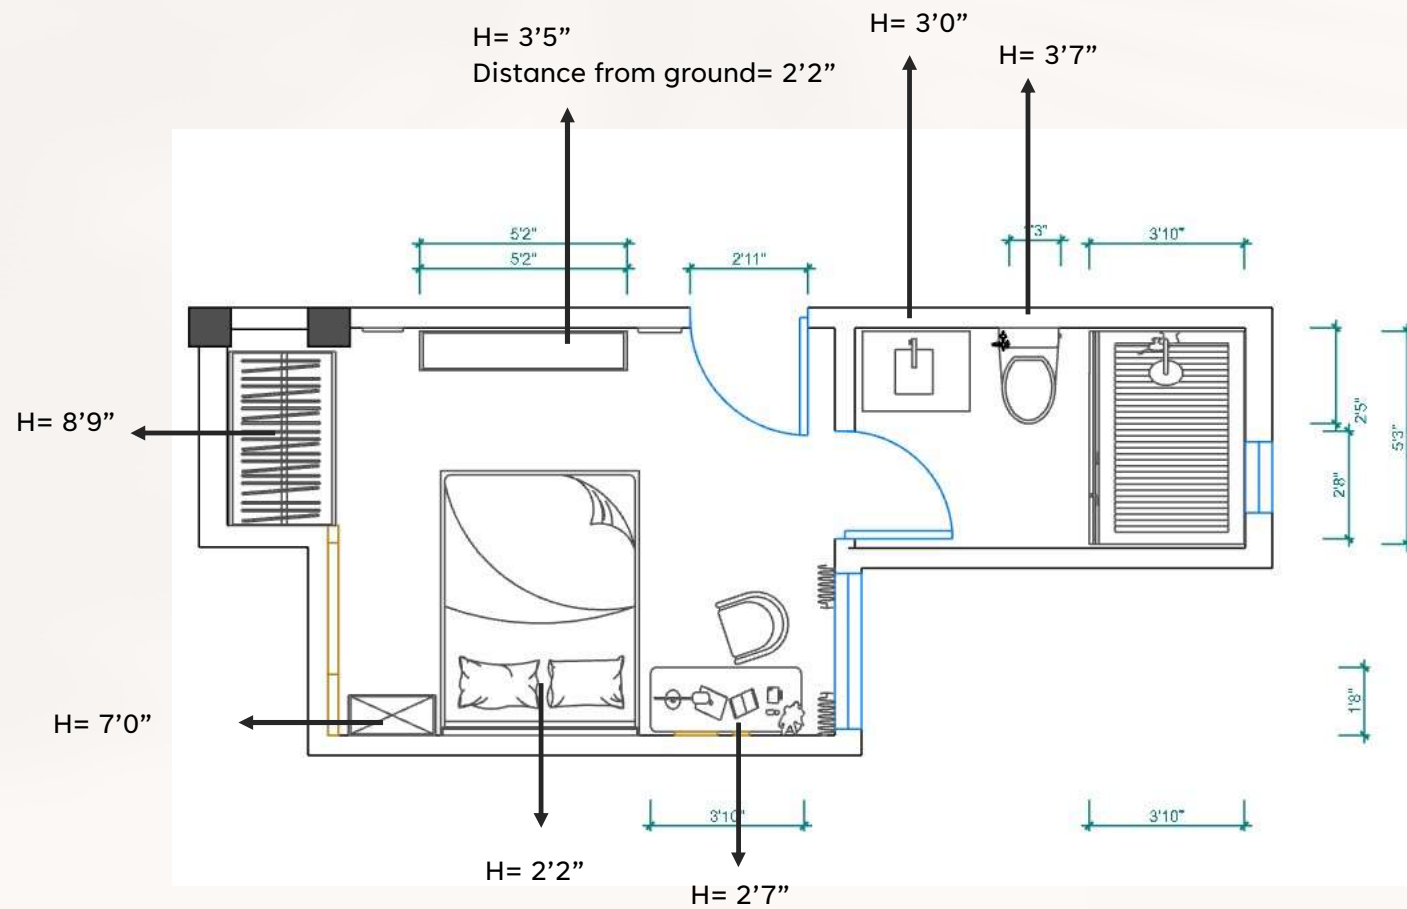

OPPORTUNITY

- wall beside study table can be used to hang pictures etc. & l-shaped table can be used.
- area beside bed can be utilised to hang guitar etc. and also create an aesthetic background incase of a video call being taken from study area

THREATS

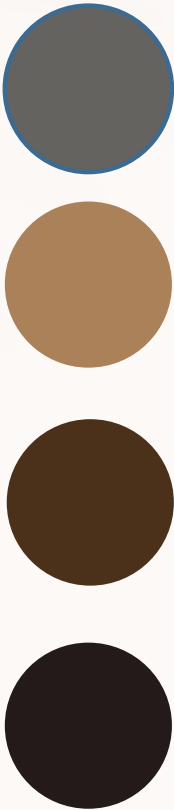

- person sitting on chair can crash with bed behind.
- the position of wash basin is not convenient
